

Application for entry to Prep and Pre-Prep school

Please detach form for completion

Those wishing to register for a place at Clayesmore Preparatory School are asked to complete the following Form of Registration and send it to the Head with a fee of £100. If you intend to register your child for Clayesmore Senior School a separate registration form must be completed (this can be found in the Senior School information booklet). This initial registration fee of £100 will cover both schools if both registration forms are completed together.
