

## Clayesmore School Uniform Measurement Guide

These notes and following chart will provide you with the basic measurements you will need to select sizes for your child's uniform and sports kit. If you need any help please contact Sara Cliff at [shop@clayesmore.com](mailto:shop@clayesmore.com).

- The uniform and sports kit is measured in inches.
- Y9 boys are likely to grow a lot between Y9 and Y11 whilst Y9 girls generally stay about the same. The uniform can last for several years if it is looked after.
- If a chest measurement is 34" I would advise a 34/36 top rather than 32/34.
- Jumpers tend to come up on the smaller side of sizing, so suggest you order a size larger.
- The Senior kilts sit below the natural waist, they should sit no more than 20cm above the knee. They are one length. Please do not roll them. Senior girls blouses sit outside the kilt.
- Tracksuit trousers have longer legs for bigger waists.
- An average Y9 boy of around 5'2" will have 14" collar, a 38" jumper, 34"/36" sports wear with 28" tracksuit bottoms, 26"/28" PE shorts and 30"/32" rugby shorts.
- An average Y9 girl will have 32" blouse, 34" or 36" jumper, 26" kilt, 32"/34" sportswear with 26" tracksuit bottoms.

**Please see page following for guide.**
